Space-themed Artwork Needed to Decorate Walls in Children's Area

We are looking for kids/teens to create artwork related to Space to brighten our walls over the summer. If you're interested, call or visit the library so we can get your name. We would like to accept the art during the week of June 10th -15th, for display at the start of the program on June 17th. Some ideas are: Moon: Apollo Moon Landing 50th Anniversary/Lunar Phases, Planets, Scale Models of the Solar System, Constellations, Space exploration, Engineering, Space science phenomena, and Astronauts.

*Starred programs require registration. See reverse for details.

Summer Reading - "A Universe of Stories" will be our 2019 Summer Reading theme, running from June 17th through August 17th. This slogan was chosen by library professionals to help inspire children of all ages to dream big, believe in themselves and create their own story. Many new space-related materials will be available to enjoy together. Titles from your school reading lists will be available for all grades. A variety of programs and special events will be available for you to enjoy throughout the summer. We will not offer a separate electronic program to track the books you read this summer. You can, however, still keep a list of everything you've borrowed from JTL by following these steps: 1. Log in to your account 2. Account Preferences 3. Click "Keep history of checked items" 4. SAVE. After saving, the
