Maudie (2016):

Tuesday, January 2nd at 2:00 PM

This is another true life story, starring Sally Hawkins and Ethan Hawke. Maud Lewis (March 7, 1903 – July 30, 1970) was a Canadian folk artist from Nova Scotia. She remains one of Canada's best known folk artists. In 1930's rural Nova Scotia Maud suffers from rheumatoid arthritis. Because of her unusual gait from the arthritis, she is often mistaken as a stupid, incapable woman. That view is held by her surviving family. After her brother sells the family home and Maud is forced to live with her aunt, she decides to seek some independence. She is the only applicant for a posted job as housekeeper for brusque Everett Lewis, a poor fish seller. Their story is beautifully filmed entirely in Nova Scotia.

The Big Sick (2017):

Tuesday, February 6th at 2:00 PM

Based on the real-life courtship between Kumail Nanjiani and Emily Gordon, The Big Sick tells the story of a Pakistan-born aspiring comedian who connects with grad student Emily after one of his standup sets. However, what they thought would be just a one-night stand blossoms into the real thing, which complicates the life that is expected of Kumail by his traditional Muslim parents. When Emily is beset with a mystery illness, it forces Kumail to navigate the medical crisis with her parents. Funny, heartfelt, and intelligent, The Big Sick uses its appealing leads and cross-cultural themes to prove the standard romcom formula still has some fresh angles left to explore.

From Sand and Ash

by Amy Harmon

(Led by Jan Simblist)

Germany occupied much of Italy in 1943, placing the Jewish population in grave danger during World War II. Eva Rosselli and Angelo Bianco were raised like family but divided by circumstance and religion. As the years go by, the two find themselves falling in love. But the church calls to Angelo and despite his feelings for Eva, he chooses the priesthood. A decade later, Angelo is a Catholic priest and Eva is a woman with nowhere to turn. With the Gestapo closing in, Angelo hides Eva within the walls of a convent. But Eva can't quietly hide while Angelo risks everything. With the world at war and so many in need, Angelo and Eva face trial after trial, choice after agonizing choice, until fate and fortune finally collide, leaving them with the most difficult decision of all.
