

Dear Reader,

The library is now in its temporary quarters at the Lebanon Community Center now, across the street from the upcoming construction. This process has taken over ten years and the overcoming of enough hurdles that it almost qualifies for the Olympics. We are grateful to the patrons who saw the need, the Library Building Committee and the Selectmen who have worked tirelessly. Thank you.

The Adult area is upstairs and the Young Person's Library is downstairs. We were unable to bring our complete collection, but we brought our greatest hits. So, if you browse the stacks, you will find something wonderful. The space is smaller, but we will have programs outside. Some will be in the courtyard, and others under the tent. You can park in the Alden Tavern lot next to the building, or in the lot near the pool. Remember, if you take your kids to the library every week, they will become readers.

**We welcome readers of all ages to
JTL Summer Reading 2021!**

Following our theme of **Tails & Tales** down the rabbit hole, we will celebrate folk tales, fables, and animals of all sorts. We kick off June 21st and have a jam-packed programming schedule with everything from farm themed take-and-makes with 4-H, to an Afro-Caribbean drum and dance workshop with internationally renowned artists, to live animals visiting with their caretakers from Denison Pequotsepos Nature Center, and much more. As always, we are your information and book hub for Lebanon Public Schools' summer reading selections. Please visit our website for all the juicy details.

See you later, alligator--
